FORM CA-20, PHYSICIAN'S REPORT

Compensation for wage loss cannot be paid unless medical evidence has been submitted supporting disability for work during the period claimed. For claims based on traumatic injury and reported on Form CA-1, the employee should detach Form CA-20, complete items 1-3 on the front, and print the OWCP district office address on the reverse. The form should be promptly referred to the attending physician for early completion. If the claim is for occupational disease, filed on Form CA-2, a medical report as described in the instructions accompanying that form is required in most cases. The employee should bring these requirements to the physician's attention. It may be necessary for the physician to provide a narrative medical report in place of or in addition to Form CA-20 to adequately explain and support the relationship of the disability to the employment.

For payment of a schedule award, the claimant must have a permanent loss or loss of function of one of the members of the body or organs enumerated in the regulations (20 C.F.R. 10.304). The attending physician must affirm that maximum medical improvement of the condition has been reached and should describe the functional loss and the resulting impairment in accordance with the American Medical Association Guides to the Evaluation of Permanent Impairment.

PRIVACY ACT

In accordance with the Privacy Act of 1974, as amended (5 U.S.C. 552a), you are hereby notified that: (1) The Federal Employees' Compensation Act, as amended and extended (5 U.S.C. 8101, et seq.) (FECA) is administered by the Office of Workers' Compensation Programs of the U.S. Department of Labor, which receives and maintains personal information on claimants and their immediate families. (2) Information which the Office has will be used to determine eligibility for and the amount of benefits payable under the FECA, and may be verified through computer matches or other appropriate means. (3) Information may be given to the Federal agency which employed the claimant at the time of injury in order to verify statements made, answer questions concerning the status of the claim, verify billing, and to consider issues relating to retention, rehire, or other relevant matters. (4) Information may also be given to other Federal agencies, other government entities, and to private-sector agencies and/or employers as part of rehabilitative and other return-to-work programs and services. (5) Information may be disclosed to physicians and other health care providers for use in providing treatment or medical/vocational rehabilitation, making evaluations for the Office, and for other purposes related to the medical management of the claim. (6) Information may be given to Federal, state and local agencies for law enforcement purposes, to obtain information relevant to a decision under the FECA, to determine whether benefits are being paid properly, including whether prohibited dual payments are being made, and, where appropriate, to pursue salary/administrative offset and debt collection actions required or permitted by the FECA and/or the Debt Collection Act. (7) Disclosure of the claimant's social security number (SSN) or tax identifying number (TIN) on this form is mandatory. The SSN and/or TIN, and other information maintained by the Office, may be used for identification, to support debt collection efforts carried on by the Federal government, and for other purposes required or authorized by law. (8) Failure to disclose all requested information may delay the processing of the claim or the payment of benefits, or may result in an unfavorable decision or reduced level of benefits.

Note: This notice applies to all forms requesting information that you might receive from the Office in connection with the processing and adjudication of the claim filed under the FECA.

INSTRUCTIONS FOR COMPLETING FORM CA-7

If the employee does not qualify for continuation of pay (for 45 days), the form should be completed and filed with the OWCP as soon as pay stops. The form should also be submitted when the employee reaches maximum improvement and claims a schedule award. If the employee is receiving continuation of pay and will continue to be disabled after 45 days, the form should be filed with OWCP 5 working days prior to the end of the 45-day period.

The CA-7 also should be used to claim continuing compensation, when a previous CA-7 claim has been made.

Collection of this information is required to obtain a benefit and is authorized by 20 C.F.R.10.106.

EMPLOYEE (or person acting on the employee's behalf) – Complete sections 1 through 7 as directed and submit the form to the employee's supervisor.

SUPERVISOR (or appropriate official in the employing agency) – Complete sections 8 through 15 as directed and promptly forward the form OWCP.

EXPLANATIONS – Some of the items on the form which may require further clarification are explained below:

<u>Section Number</u>	<u>Explanation</u>
2d. Schedule Award	Schedule awards are paid for permanent impairment to a member or function of the body.
5. List your dependents	Your wife or husband is a dependent if he or she is living with you. A child is a dependent if he, or she either lives with you or receives support payments from you, and he or she: 1) is under 18; or 2) is between 18 and 23 and is a full-time student; or 3) is incapable of self-support due to physical or mental disability.
6a. Was/will there be a claim made against 3rd party?	A third party is an individual or organization (other than the injured employee or the Federal government) who is liable for the injury. For instance, the driver of a vehicle causing an accident in which an employee is injured, the owner of a building where unsafe conditions cause an employee to fall, and a manufacturer who gave improper instructions for the use of a chemical to which an employee is exposed, could all be considered third parties to the injury.
8. Additional Pay	"Additional Pay" includes night differential, Sunday premium, holiday premium, and any other type (such as hazardous duty or "dirty work" pay) regularly received by the employee, but does not include pay for overtime. If the amount of such pay varies from pay period to pay period (as in the case of holiday premium or a rotating shift), then the total amount of such pay earned during the year immediately prior to the date of injury or the date the employee stopped work (whichever is greater) should be reported.
11. Continuation of pay (COP) received	If the injury was not a traumatic injury reported on Form CA-1, this item does not apply.
14. Remarks	This space is used to provide relevant information which is not present elsewhere on the form.
